Dear Business Owner,

Your generous help is once again requested. Our church is holding its annual fundraising event on **November 21, 2009**, and we are asking for donations of products or services that lend themselves to being auctioned. Your donation benefits the Edgewood community directly since the monies raised expand the services we provide. It also is an excellent way to let people in our church community know about your business. All donations are a charitable tax contribution and we ask that the donation be available four weeks prior to the auction date.

Unity Church of Christianity embraces the teachings of Jesus as a framework for living a happy and successful life. As a church community, we continually strive to inspire people to live spiritually filled lives. We seek to serve our greater community and we participate in many programs that help people lift themselves to a more abundant life. Every fall we donate backpacks filled with specified school supplies to children in need, contribute regularly to St. Francis House in Puyallup, and periodically collect baby clothes and make quilts and donate them to two local agencies that assist young mothers.

If you would like to know more about us, you can look us up at www.unityedgewood.org or www.silentunity.org. You can find me at the church on almost any Wednesday, and we would of course welcome you at any time at our 10:30 a.m. Sunday service. We believe that God's will for humankind is good, and that all people are meant to live a full, rich, healthy and happy life. We affirm the innate good that exists in you right now and we thank you for your help in making a difference.

Blessings,
